

SVA THEATRE PODIUM DISPLAY

Our podium signage consists of two pieces of rectangular acrylic glass (Plexiglass) -- an upper banner (displaying the SVA NYC logo) and a lower poster (displaying the SVA THEATRE logo). You will need to design and print signage to be affixed OVER the acrylic glass.

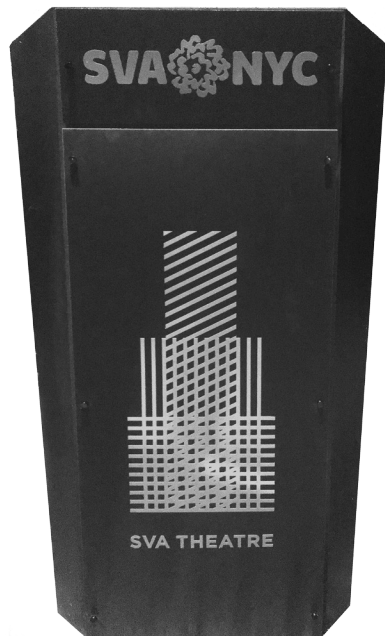

SVA Theatre Staff will be responsible for adhering and removing all signage from the podium.

RECOMMENDED PRINTING MATERIAL:

- Foam core board
- Heavy cardstock

Please consult with your printer to determine the material that best suits your needs and budget.

Do not print on poster paper or adhesive paper.
