

DIGITAL LOBBY & VESTIBULE SCREENS

Our digital screens can display anything that can be played on a laptop -- continuous loop videos, slideshow presentations, static images (such as a logo), etc.

- You will have access to all the lobby and vestibule screens. Displays may be shared if there are two events.
- Please email these files to venue@sva.edu a few days before your event for testing.
- All images and videos must be submitted as a slideshow (PPT) or playback playlist (.mov/.mp4). We cannot combine multiple images or videos into one package for playback.

MEDIA FORMAT:

- **Image File:** jpg, png, gif, etc.
 - **Video or Motion Graphics*:** .mov or .mp4
 - **Slideshows*:** PowerPoint or Keynote
- *Please program files to loop.
